

Welcome Back 10th Graders!

Ms. Valek, School Counselor

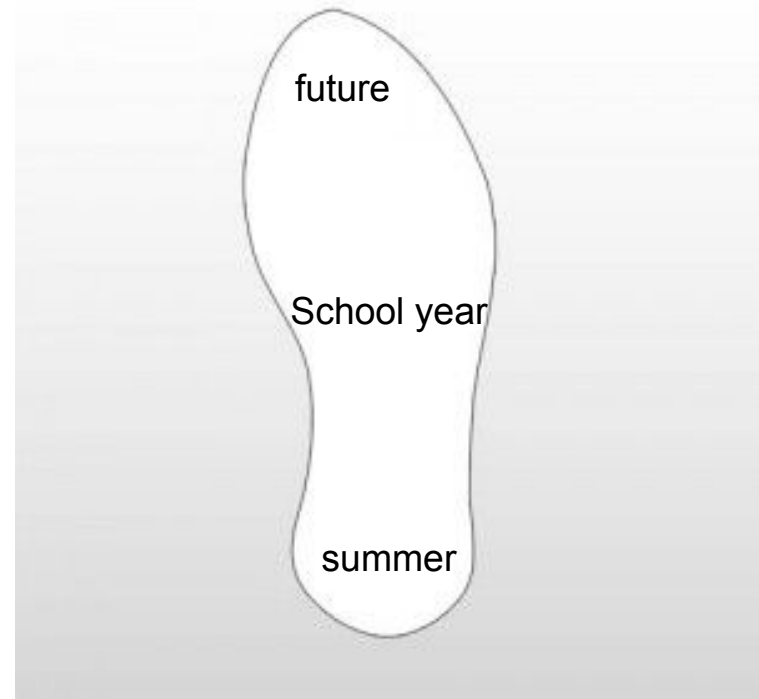

Today's Student Learning Targets

- I know what college and career readiness is.
- I can use Naviance.
- I know where and how to get help in school.

Looking Back/Looking Forward

- Trace your shoe on the blank paper.
- On the heel, draw or write something you did this summer
- In the middle, draw or write something you are looking forward to this school year
- On the toes, draw or write what your current career plan is.

Looking Back/Looking Forward

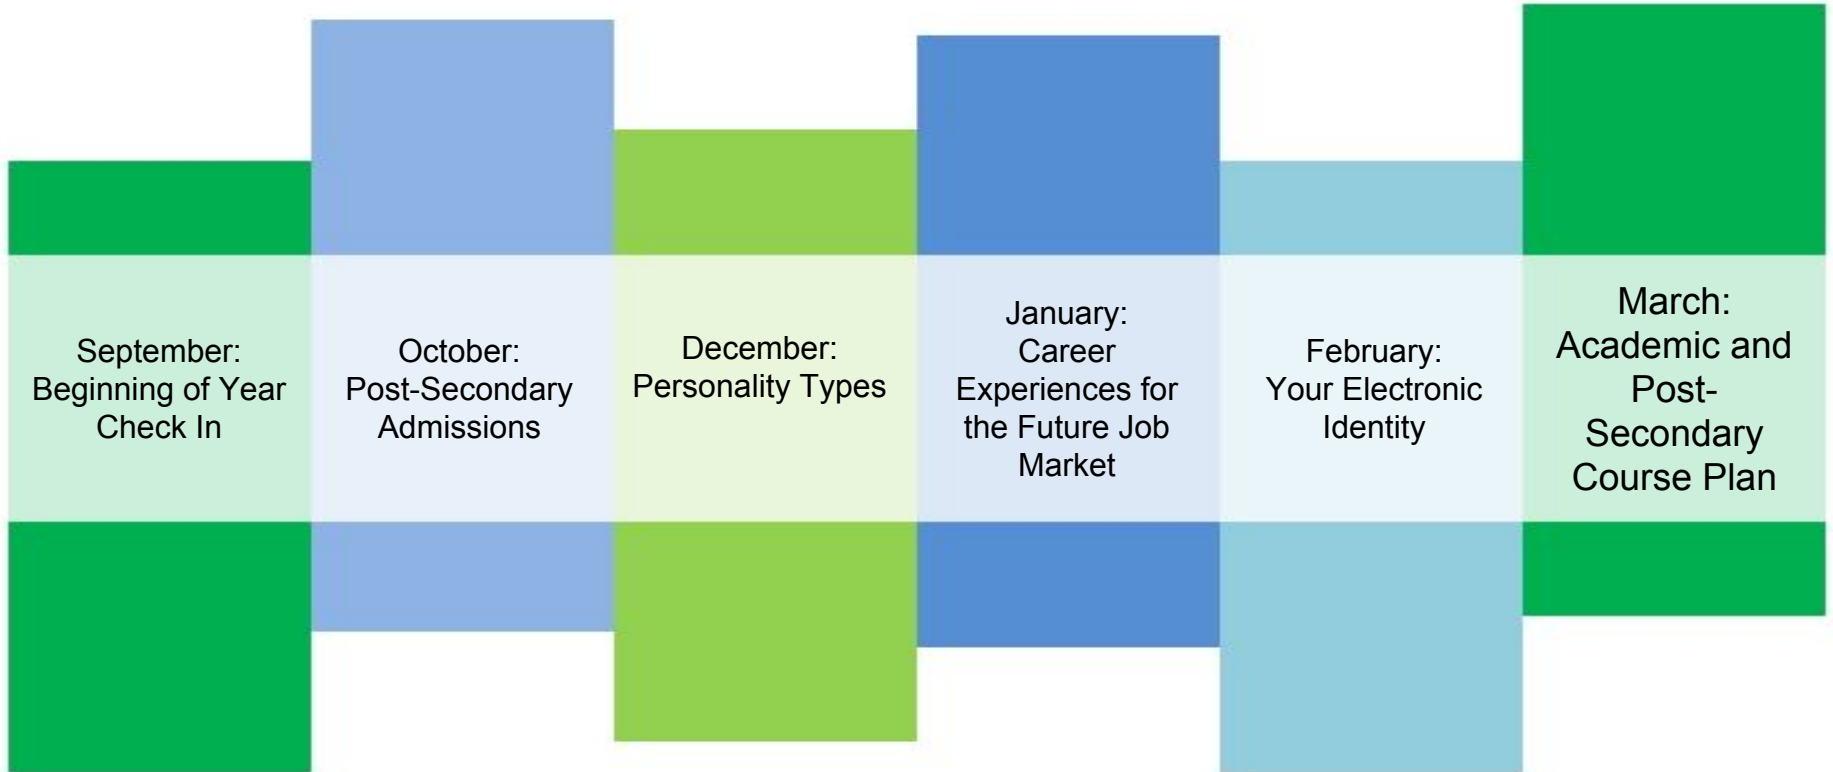

- Share your footprint with a partner
- How does today, and this school year, impact our future plans?

What is My Life Plan?

- We use My Life Plan in grades 6-12 to help you build your college and career plan
- We use a system called Naviance Family Connection to house your college and career readiness plan, or portfolio
- Completing My Life Plan is a graduation requirement.

Naviance Welcome Survey

- The purpose of this survey is to identify your strengths as well as areas where your counselor can support you
- There are no right or wrong answers
- Do not look at other students' answers
- Answer honestly
- Your answers will stay between you and your counselor unless you indicate that you or someone else is in danger, in which case your counselor will talk with you about getting another adult involved.
