

Going to College.

Post-Secondary Enrollment Options Contract

Student Name _____ Graduation Year _____ Student Email _____

Parent Name _____ Phone Number _____ Parent Email _____

NOTICE TO STUDENTS PARTICIPATING IN POST-SECONDARY ENROLLMENT OPTIONS

1. Colleges determine admission standards for PSEO students. FAIR School does not make this determination.
2. All PSEO courses approved by the FAIR School will transfer to your high school transcript with the college grade earned. The conversion from college semester credits to the FAIR School credits: 4.0 college credits = 1.0 FAIR credits (exactly $\frac{1}{4}$ or 0.25 of the college credits earned).
3. PSEO students are not permitted to take remedial, developmental or other courses not considered college level.
4. No college grades are “weighted” when transferred to your FAIR School transcript.
5. College textbooks belong to the college and must be returned there. Failure to do so could result in fines and/or the college withholding grades.
6. College academic and attendance issues need to be handled by the college and student. Your high school counselor should be informed but has no jurisdiction over college matters.
7. Your high school counselor needs to be informed of changes made in your college schedule (dropping/adding a course).
8. High school diplomas are held until the FAIR School receives a transcript from the college AND all FAIR School graduation requirements are verified.
9. PSEO students can participate in high school events and activities; all grades including PSEO grades are used to determine and maintain eligibility for activities at the FAIR School.
10. Students taking PSEO Spring Semester but did not take PSEO Fall Semester – Quarter 2 classes must be fully completed to teacher’s satisfaction in the event that your Spring Semester PSEO courses overlap your Quarter 2 FAIR classes.
11. It is the student’s responsibility to stay informed and meet the FAIR School graduation requirements.

STUDENT RESPONSIBILITIES

1. Meet with the high school counselor to discuss graduation requirements before registering for PSEO classes.
2. Students must attend the required college PSEO orientation.
3. Return this form with necessary signatures to high school counselor before you begin your college courses.
4. Bring a completed Notice of Student Registration form to your high school counselor before each semester.
5. Bring a copy of your college course schedule (or email a screenshot of your schedule) to your high school counselor each semester as soon as you register.
6. College courses should conflict with high school courses as little as possible. If students will miss any course at the FAIR School to attend a PSEO course, it is the student’s responsibility to inform their FAIR School teacher. The student is responsible for all missed work from the FAIR School course.
7. Students are responsible for their own transportation to and from the post-secondary institution at his/her expense.
8. Students will not be allowed on academic floors of the FAIR School unless scheduled for a FAIR course. Students are encouraged to utilize the resources/study spaces on college campus when not scheduled for class at the FAIR School.
9. It is the student’s responsibility to monitor his/her grades. If earning less than a C (70%) in a college course, he/she must meet with both the high school counselor and the college PSEO advisor.
10. To obtain necessary graduation information (caps & gowns, graduation practice, scholarship information, any other information related to FAIR School activities), please make sure to check email, the FAIR School website and Facebook page. You can also call or email the high school counselor at 612-668-1076 or rebecca.valek@mpls.k12.mn.us.

By signing this contract, I have read and understand all the PSEO requirements and student responsibilities and agree to the PSEO program guidelines.
